3 Ways You Will Benefit From a Guarding Assessment

1.) *No guessing on your Guarding requirements.*

- Find out exactly what you need.
- Extra guards = extra costs up front as well as ongoing costs.
- Weed out “gimmicky” products that don’t really solve your problem.

2.) *You will find out not only “what you need” but “why you need it” and why it will help you reduce costs.*

- Find out first hand what products are available for specific applications.
- Learn how standardizing guards will reduce installation costs and simplify routine maintenance.
- Find out how our unique guard fasteners make guard removal and reinstall, quick, and simple with 1 person using a common hand tool.

3.) *You will find out how to comply with industry standards.*

- How many companies install guards only to find out later they **DO NOT** meet industry standards – the unfortunate answer is lots?
- Find out how to guard your conveyors the right way the first time.
- Learn how to use a “Conveyor Pinch Point Gauge” and avoid the pitfalls of incorrect guarding.

STAY AWAY - STAY SAFE

3 Ways You Will Benefit From a Guarding Assessment

We hope you have enjoyed this tip sheet on “Assessments” and now see that selecting the right products and the right supplier is critical. Whatever your approach is to guarding, follow these tips and you will reduce worker injury, improve productivity, and comply with industry standards.

I would like to personally wish you great success in your guarding endeavors.

Sincerely,

Paul Vandergeest
President

ON GUARD FOR YOU

Guarding Basics

If your conveyors need guarding, and you are interested in developing a Safety Guarding Plan, then contact Belt Conveyor Guarding to set up an appointment for your free Conveyor Guarding Assessment.

During your initial contact, we will take some time to get to know you and your specific requirements. Once we have a good understanding of your guarding challenges and objectives we will suggest guarding techniques that will quickly adapt to your needs.

Your assessment comes with no obligation to purchase our products or act on our recommendations, and we will not pressure you in any way. It will be your choice to take the next step, and if you choose not to, that's okay with us.

Book your free Conveyor Guarding Assessment today by calling our toll free number 1-866-300-6668 or fill in our contact information sheet at:

www.conveyorguarding.com/lpassess.htm

With each Guarding Assessment we will also send you a **free Conveyor Pinch Point Gauge**.
